This enchanting classic of children's literature is now a brilliant musical by a Pulitzer Prize winning playwright, Marsha Norman, with music by Lucy Simon. Orphaned in India, 11 year old, Mary Lennox, returns to Yorkshire to live with her embittered, reclusive uncle and his invalid son. The estate includes a magic locked garden, with which Mary becomes enchanted. Flashbacks, dream sequences, a strolling chorus of ghosts, and some of the most beautiful music ever written for Broadway dramatize The Secret Garden's compelling tale of regeneration and hope. This Tony Award winner is a treasure for children and adults.
