The Davenport North Football Staff would like to invite everyone interested in football and entering school in the fall of 2018 to participate in our summer football camp. This is a non-contact camp focusing on teaching players the fundamentals of all positions on the field. The campers will receive individual and group instruction on offense, defense and special teams throughout the camp. We will focus on the fundamentals of football as well as character development. This camp will take place on the high school practice fields behind North. I hope your child is able to join us and help set the foundation in place to build a successful football program. Please call/text Coach Krusey with questions at 319-239-5941. It's a great time to be a Wildcat!
