Fire Alarms/Fire Trucks at Sudlow

We wanted to send a quick note out. Some of you may have seen fire trucks on campus a couple times in the past week or so. We have found that a sensor is sending out a false signal and causing the fire alarms to go off on their own. We are in the process of getting it fixed. We apologize if this created any concern for our parents.

There is NO Power of I 2nd Quarter

There is no Power of I for the 2nd quarter. All assignments need to be completed and turned in by 1/12/17. You will not have a period of time after the quarter to turn things in.

Mr. Malik's 7th Grade Global Studies

Two big grades coming up before Holiday Break

1. Europe Map Test – Check to see if your student passed. If there is no grade in parent portal for the Europe Map Test that means either they did not take it yet or the score they earned was not passing or would have brought their grade down. Monday will be the last time in class to take the Europe Map Test. Students can go to Sheppardsoftware.com to practice for the test.

2. The students What Was The Driving Force Behind European Imperialism In Africa? DBQ should be finished by this Friday and are due on Monday at the latest.

Mr. Adams' 8th grade science class

Mr. Adams' 8th grade science class students are building balloon powered cars to help in their investigation of Newton's Laws. Students have had 3 days in class to design and build their cars. They should be built and ready for trial races on Monday. Ask your student to show you their picture with their car in Google Drive.
