## Seventh Grade Football

Wow Sudlow, great job on your second game against JB Young. The score was JB 7, Sudlow 14. Jack Hill and Myles Bostic scored the touchdowns. Good Job! Now their record is one win, one loss.

The third game was against Williams. The score was Williams 22 and Sudlow 14. Nick Banks and Myles Bostic scored the touchdowns. Now the record is, of course, 1 win, 2 losses.

## Band, ten Hut!

Orange Crush, Sudlow's own 7th and 8th grades marching band is almost finished with it's season. Tuesday, October 3rd, the band had a great opener at Brady Stadium with the Davenport Schools Band Spectacular. The three high schools performed followed by all of the Intermediates.

The 7th of October marked the first march of the year. Anamosa's Pumpkin Fest and Parade was taken over by all of Sudlow's Orange. "This year it was not nearly as hot as it was last year, thankfully," one student said. "Seventy degrees sure beats ninety!" Content parade goers clapped along as Sudlow marched by playing "Stand Up and Cheer."

If you missed either of the performances, Orange Crush will march in Davenport's own Halloween Parade on October 31st.

## Sudlow 7th Grade Volleyball

The girl's 7th grade team did really well. They have played JB, Walcott, Williams, Smart and Wood Middle schools. Their season ended on Monday Oct. 9th. They are planning to celebrate the season by having a pizza party.

There were about 30 girls on the team. They won many games.

## 7-1 Plans Team Building Training

The 7-1 Team will have a three hour Team Building Experience at Camp Abe Lincoln on Friday, October 20. The busses will be leaving school around 9:15 and will be returning around 2:00. After the team building activities we will be eating lunch at camp so please bring a sack lunch to school that day. If you want us to get you a school sack lunch please follow the directions your teacher gave you. While at the campsite we will be doing physical exercises, so wear appropriate clothing and shoes.

### Cosmic Cookie Dough

just \$2.50

Sixth Grade

**Family and Consumer Sciences Exploratory** students developed an entrepreneurship selling packages of Cosmic Cookie Dough. Each student in the class has played a part in producing this product. The money and orders were due on Oct. 9. Delivery will be Oct. 16.

**Mock Trial** Our 7th & 8th grade Mock Trial teams are now underway working on a civil case where a young lady falls and injures herself while dining in a Des Moines restaurant. We will present our cases on Saturday, October 21 at the Scott County Courthouse.

### Café Chatter

THE MIGHTY APPLE

Apples contain no fat, cholesterol or sodium!

They have 5 grams of fiber, vitamins A, B1, B2, C, and niacin!

If that's not enough... they also contain iron, phosphorus magnesium, and potassium.

In addition they have trace amounts of boron which helps harden bones!!

That is a lot of bang for about 80 calories.

Have an apple with string cheese for a well balanced snack after school.

Maybe an apple a day does keep the doctor away.

All meetings are tentative to change due to school-related events or weather. The E-Mail Blast will notify in advance should a meeting be cancelled for school-related functions. Mr. Potts usually joins us for this lively meeting covering many topics - curriculum issues (ie. foreign language classes, curriculum changes, national trends, elective classes), Sudlow coming events (ie. Movie Night, Read-A-Thon, Talent Show, Student & Parent Picnic), security issues, staff & student goals, as well as any issues parents want to learn about. Please join us...for an hour at most... learn about your child's school...and bring a friend! The meeting is casual and relaxed, comments always welcome, and camaraderie is in abundance.

## The Sound of Rejoicing Children

On Sept. 22, the 7th and 8th grade choral director, Mrs. Carius, made the much awaited announcement: the musical for the '06-'07 school year. "The Sound of Music" will fill the stage at North High on April 20 and 21, 2007. But first, Sudlow students must complete auditions. Instead of the Solo Video Project occurring at the end of the year, this will be the auditions for chorus in December.

Be there when Do-Re-Mi fills the auditorium.
