Have A Wonderful Weekend!!!

***October 5th marks the fourth annual National Bullying Prevention Awareness Week. There will be morning announcements regarding raising awareness towards bullying, AP classes will be doing various activities regarding bullying throughout the week, and on Thursday we are encouraging everyone to wear blue, as it is the color of peace; please encourage your children to wear blue on Thursday. Thanks.**

***LifeTouch Picture Re-Take Day is Friday, October 23**

***For Sale Now.....\$5.00 while supplies last - Class of 2014 (8th graders) & Class of 2015 (7th graders) Autograph T-Shirts. To purchase, see Mrs. Kreuger during Homeroom in Room 208.**

***Kids Nite Out dates sponsored by Student Council are Wednesday, Oct. 14, Wednesday, Dec. 16, and Wednesday, March 3 from 3p to 5p....This is an event that is sponsored by the Student Council and it is for all students in good standing with tardies, lates and office referrals.**

***The 8th grade event is scheduled for May 7th.**

*** Mr. Z's All School Fundraiser: Please mark your calendars the selling part is over but we still need to deliver the product to our customers in good shape. In the upcoming weeks your student will receive a reminder of the delivery day.....OCTOBER 22ND it will give you an approximate time your student will be dismissed with their product to be delivered. We will have only limited space if you cannot pick up your product by 4:00 on the 22nd. If you see problems in picking up the product by 4 on the 22nd please call or email Jamie Kreuger at 326-3502 or kreugerj@davenportschools.org.**

Brady Street Stadium Parking: It has been recently decided that parking will no longer be available on the practice field (directly North of the stadium) effective October 1. The practice field was damaged with the major rains we had in the beginning of the season. Spectators are asked to park in the Klemme Klassic Kar lot which is directly south of Brady Stadium.

EXPLORE TEST REMINDER: This is just a friendly reminder to parents of 8th grade students that the EXPLORE (Pre-ACT) test will be administered to all 8th grade students on Tuesday, October 6th. The test will begin in the morning and last until approximately 1:00 pm. We ask that you refrain from having your child attend any appointments this day and if unavoidable, we request that 8th grade students not come to school until 1:00 pm as there will be no make-ups. Only students in attendance for the entire time will be administered the test. If you have any questions, please feel free to contact Mr. Neuhaus or Ms. Pancratz in the guidance office.

There are a couple of groups available to all students at Sudlow that we want to make sure you and your student are aware of. One is Esteem-Team which is an educational support group for students of substance abusers or students trying to cope in high stress environments. This group will meet on Fridays before school and during exploratory classes. It is targeted to begin on Friday, October 9 2009. If you are interested in your child joining this group please sign up with Ms. Pancratz or Mr. Neuhaus in the guidance office.

Another group is DFYIT which (Drug Free Youth in Touch) which is a club for drug free teens that meets every Thursday at 8 AM in Room 210. If you're into fun, games, activities, snacks, meeting new people and more...come and check it out! All grades are welcome.

We are collecting canned goods and other non-perishable foods to support Davenport Central High School's student hunger food drive. So, now through October 30th, please bring to your homeroom teacher as many canned foods and other non-perishable food items as possible. Not only will this help those who go hungry, but we are also in competition with other Davenport schools to see who can collect the most items.

Help support a good cause, and help Sudlow beat other Davenport schools by bringing in the most items!

**Thanks,
Sudlow**

Happy Reading ☺

Mrs. D-J's classes are wrapping up Unit A-Studying People Scientifically. During the unit students participated in a number of activities to learn about the characteristics of good experimental design. On Monday, Oct. 5th, students will have a unit test. Review has been taking place all week and students received a study guide on Thursday along with a homework crossword puzzle. Students have also been designing their own experiment and the rough draft is due on Friday, Oct. 2nd. We will be typing the final draft on Tuesday in the computer lab. Our next unit of study will be "Body Works," a study of the human body.
