Brady Street Stadium Parking: It has been recently decided that parking will no longer be available on the practice field (directly North of the stadium) effective October 1. The practice field was damaged with the major rains we had in the beginning of the season. Spectators are asked to park in the Klemme Klassic Kar lot which is directly south of Brady Stadium.

There are a couple of groups available to all students at Sudlow that we want to make sure you and your student are aware of. One is Esteem-Team which is an educational support group for students of substance abusers or students trying to cope in high stress environments. This group will meet on Fridays before school and during exploratory classes. If you are interested in your child joining this group please sign up with Ms. Pancratz or Mr. Neuhaus in the guidance office.

Another group is DFYIT which (Drug Free Youth in Touch) which is a club for drug free teens that meets every Thursday at 8 AM in Room 210. If you're into fun, games, activities, snacks, meeting new people and more...come and check it out! All grades are welcome.

This will be the final week for collecting canned goods for the food drive; the theme throughout the week for this will be, **"We CAN all say no to drugs!"** So, through October 30th, please bring to your homeroom teacher as many canned foods and other non-perishable food items as possible.

Thanks!
