

Employee Benefits Insurance & Wellness Information Newsletter 2018-2019 Volume 2

HR & Employee Benefits Summer Hours:

June 17, 2019 – August 9, 2019 We will be open
Monday – Thursday - 7:30 AM – 5:00 PM

In the previous newsletter we addressed dependent children who are 19 or older on your **Dental & Vision insurance**. We would like to take this opportunity to address your **Medical insurance**. Your dependent children can remain on the medical insurance until age 26 regardless of their student status. **Reminder...**any summer month appointments will need the upcoming Fall verification form completed/submitted to Employee Benefits before those claims are paid.

DCSD will have **FLU Vaccination Clinics** this fall for employees & dependents over age 18 who are on the districts medical insurance - a medical ID card is required. If you don't have one, contact a rep to order a card; do not contact the insurance company. Card orders are placed with them each week from Employee Benefits. More news about flu clinics will be shared when details are finalized.

The **Wellness Program** will again be offered for the 2019-2020 school year. The portal will open on July 1st so keep track of runs/walks and doctor appointments that you can log at that time. Reminder, anything from May 1, 2019 will count towards the 2019-2020 program.
