Online learning platforms:

K-3: Edgenuity

Edgenuity is an online learning service provider. Students will receive instruction from Edgenuity teachers. Parents will get communication from their child's school or origin teacher but the primary teacher will be from Edgenuity.

4-8: Google Classroom

Students will receive direct pre-recorded instruction videos, independent work, and have live video meetings with teachers from the Davenport School District not their origin teacher. A student would not have instruction delivered by the teachers at their school, however communication to students and families will come from the students' home building.

9-12: Edgenuity

Edgenuity is an online learning services platform. Students will be expected to complete online coursework. District teachers will provide tutorial session and support at various times thought the week.
