

IOWA  
EPSDT Care FOR Kids

Our programs are dedicated to giving Iowa's children regular preventative health care.

- Do your children need a regular doctor or dentist?
- Do they need a dental or eye exam?
- Do they need childhood immunizations (shots)?
- Do you have questions about your child's growth and development?
- Do they need mental health support?

*The goal of Care for Kids and Hawki is to help Iowa children grow up healthy. Healthy kids are happy kids.*

**Care for Kids** is a free service for Scott County families with children birth-21 years on Iowa Medicaid

Hawki provides free or low-cost health care coverage for children age-1-19 years with no other health insurance

### How Can We Help?

- Support families as they navigate the Medicaid and Hawki enrollment process
- Connect with doctors, dentists, vision and other health care providers
- Discuss insurance coverage including prescriptions
- Link with health insurance providers
- Apply for immediate Medicaid coverage
- Provide immunizations
- Transportation resources
- Other community resources
