

DNA
Developing New Athletes

DISCOVERY: 3-4 YEARS

WHAT:

Players aged 3-4 participate in 8 sessions designed to introduce younger children to soccer. Players are guided through various engaging, imaginative, and fun soccer-based activities by professional coaching staff, college and high school players.

WHEN:

Mondays: Mar 27th, 2023 - May 15th, 2023

TIME:

5:30 pm to 6:15 pm

COST:

\$80.00 (Level II Member)
\$95.00 (Non-Member)

DISCOVERY: 5-8 YEARS

WHAT:

Players 5-6 and 7-8 participate in 8 sessions following the play and practice hybrid model. Players are divided into 2 general groups by age (5-6 year old's and 7-8 year old's) and then within these age groups, into smaller training groups and each receive 30 minute training sessions under guidance of professional coaches immediately followed by a 4v4 game without goalkeepers against other kids in the program. Playing time is generally equal among players.

WHEN:

Mondays: Mar 27th, 2023 - May 15th, 2023

TIME:

5:30 pm to 6:30 pm

COST:

\$100.00 (Level II Member)
\$115.00 (Non-Member)

RECREATIONAL: 9-12 YEARS

WHAT:

Players aged 9-12 participate in 8 sessions following the play and practice hybrid model. Players receive a 30 minute training session under guidance of professional coaches immediately followed by a 7v7 game with goalkeepers against other kids in the program. Playing time is generally equal among players.

WHEN:

Mondays: Mar 27th, 2023 - May 15th, 2023

TIME:

5:30 pm to 6:30 pm

COST:

\$100.00 (Level II Member)
\$115.00 (Non-Member)
