

## *Davenport Youth Trap Shooting Team*

The Davenport Youth Trap team was founded in 2009 by Robert Gill and Gene Belz. At that time local trap clubs were very limited in Iowa and competitions were few and far between. Since that time, the sport has exploded in popularity and puts Iowa at the top of the nation in scholastic trap teams and competitions. As the sport has continued to grow, so have our numbers. Last season, our roster had grown to over 40 shooters! Our home base for practices and smaller home meets is Oak Hill Gun Club near Blue Grass and we compete all over eastern Iowa, and occasionally into Western Illinois and SW Wisconsin.

It is our belief, that trap should be open to all students regardless of ability level, gender, and financial constraints. We accept all shooters to our team from grades 6-12 who attend Davenport schools, public or private. Through the generosity of our sponsors and the hard work of our shooters and families to fundraise, we are able to keep costs as low as possible for our families.

***Team Mission Statement: The mission of Davenport Youth Trap is to enhance the abilities of all our trap shooters while promoting sportsmanship, work ethic, and safety!***
