

EXPLORERS • GRADES 3-6

PUTNAM!

\$20 per program • \$15 for members

Programs run from 9 to 11 a.m.

Mission to Space

Saturday, Nov. 5

Launch into the life of an astronaut! Explore rockets, robots, and safe landings as we explore space!

Challenge Accepted!

Saturday, Dec. 3

Build, create, and collaborate! Get creative and choose your challenge with mystery material! What can you build or create with a mystery box or bag! Will it be with technology, toothpicks, or something totally unexpected?

Heroes and Heroines

Saturday, Jan. 7

Mayday! Mayday! Help is on the way! Use your engineering design skills to protect and save. Find out if you have what it takes to be bold, brave, and courageous in this packed with a POW! workshop.

Light the Way

Saturday, Feb. 4

Let your light shine as we explore light, electricity, and the wonderful world of things that glow-in-the-dark!

Matter Matters

Saturday, March 4

Did you know that not only you matter, but you're also MADE OF matter? Come explore all there is to know about this mysterious substance that makes up our whole universe!

Bet You Can't!

Saturday, April 1

Get ready to take on science, while testing science impossibilities! Investigate tricks, pranks, and illusions this April Fool's Day.

Whatever Floats Your Boat

Saturday, May 6

It's going to be a buoyancy battle, a sink or float situation. Team up and test your skills at this epic design challenge!
