

Dear Musician,

**Do you play an instrument in orchestra or band?** Private lessons are a great way to work one-on-one with an expert in your instrument to develop individual technique and musicianship!

The **Quad City Symphony Orchestra Private Lesson Program** is for students and adults in the Quad Cities who want to take weekly lessons. There are instructors for every instrument! Private instructors not only give students weekly instruction on how to improve musicianship and technical ability, but they also serve as trusted guides through various activities such as audition preparation, searching for the right college, and instrument purchase.

**Read about the instructors and register for lessons at [qcsso.org](http://qcsso.org)!**

Additionally, the QCSO Private Lesson Program is committed to preventing financial circumstances from becoming a barrier for any young musician's participation in private study. **Financial aid will be considered for any young musician who is accepted and submits the online financial aid application.**

I'd love to connect you with an instructor!

Yours in music,
