# Principal Introduction

Welcome to Adams Elementary School, home of the All-Stars! Adams teachers are dedicated to our students. Family and community members are supportive partners and Adams's PTA provides many opportunities for involvement through meetings, activities and membership, building a strong community of families working together to support our students. I hope you find this school year to be a memorable and productive one. Should you have any questions about our school do not hesitate to call, email, or stop in. Adams has an amazing family! Thank you for your support as we strive for educational excellence.
