Harrison School Vision

Harrison Hawks are actively engaged in learning. Staff work together to ensure all students achieve success in a caring and safe environment.

Principal Introduction

Welcome to Harrison Elementary!

Our school maintains a tradition of outstanding achievement. Family members are supportive partners, and Harrison teachers are dedicated to our students. Harrison's PTA provides multiple opportunities for involvement. Meetings and committee membership offer many ways to connect with other families, work as a member of a team, and have some fun! We are a caring community working together to fulfill our mission daily.

Should you have questions about our school do not hesitate to call, email, or drop in. We have an amazing Harrison family! Thank you for your support in our pursuit of educational excellence.

Go Hawks!

PBIS Information

Respectful

Showing respect for someone means that you act in a way that shows you care about their feelings and well-being. It is thinking and acting in a positive way towards yourself and others. It is being polite and showing kindness to others even when that person may not be someone you are familiar with. We listen effectively, keep self to self, and use kind words.

Responsible

We take responsibility for our actions and behavior. When we make a decision at school, it is nobody else's but our own. This includes academics and behavior. We don't blame others for the choices we make. We follow directions, make good choices, accept consequences, and report any problems to an adult.

Ready

Being ready means we come to school prepared to learn. We have all materials that we need (or we ask for them) and we use materials appropriately. Our ears, eyes, and bodies are ready to participate and engage in learning.

Harrison students will earn Hawk Hearts for showing school-wide expectations. Tickets are entered into weekly drawings for prizes and rewards!
