## Jefferson School Mission

Jefferson Elementary School, a diverse community, strives to meet individual differences and abilities in a positive learning environment to prepare students for a future of lifelong learning.

## Jefferson School Vision

Jefferson values the diverse ethnic heritage of the students that we serve and believes, to be prepared for today's global society and workforce, students must be able to understand, appreciate, work with, and learn from people with cultures and backgrounds different from their own.

# Principal Introduction

Welcome to Jefferson Elementary!

We are a tight-knit community of teachers and young learners who are committed to the pursuit of academic achievement in a supportive, nurturing environment for all students. As a parent or guardian, you are our greatest partner in achieving our shared goals. We have an active Parent-Teacher Committee and many family events throughout the year, please get involved! We also believe in supporting families to support our students - if you are struggling to make ends meet, we have programs that can help. I look forward to working with you to support the health and well-being of all the children in the Jefferson Community.

Sincerely - Martin Schiltz, Principal

# Positive Behavior Interventions and Supports

We believe every child can learn at high levels, starting with learning school-appropriate behaviors that support academic achievement and contribute to a positive classroom culture.

Using the PBIS framework, Jefferson staff members seek to support each child with what they need to be successful. We start by ensuring that each student knows exactly what our school-wide expectations for behavior are, then layering in additional supports as needed.

At Jefferson, we expect everyone to be **Kind, Safe, Responsible, and Respectful!**

# Positive Behavior Interventions and Supports

## Kind:

- Use nice words, tone, and actions.
- Support classmates in learning.
- Encourage positive behavior.

## Safe:

- Hands, feet, and body to self.
- Only use materials in the way they were intended to be used.

## Responsible:

- Stay in your classroom.
- Actively participate.
- Engage in learning.

## Respectful:

- Listen to adults.
- Give your attention to the speaker.
- Speak the kind truth.

McKinley students I earn "Jet Bucks" for showing school-wide expectations. Students can enter prize raffles, or go shopping in the "Sky Mall" once per month!
