# Principal Introduction

We are so happy to welcome you to Walcott Elementary, home of the Panthers. We are unique in that we are the only K - 8 building in the Davenport Community School District. Our school is known for high academic achievement. Additionally, we have strong parent support and an outstanding PTA. I encourage you to join PTA as they plan many events that support all of our students K - 8. Also, our entire staff is committed to helping all students reach their highest potential in all areas.

I encourage you to reach out to me with any questions about our school that you may have via email, phone call, or just stop by the school.
