

Davenport HSAP Summer News

Summer has arrived. The weather has heated up and we are ready to add outdoor activities to our curriculum. We know that many of you are continuing lessons during the summer months. A great idea !

This year has been a trying one for all of us. We missed meeting face to face with you and no activities were such a loss.

We are already planning on many activities for next fall and we cannot wait to see you. We will miss those not returning next fall, but know that you have made wise decisions for your children.

HAVE A GREAT SUMMER !
