## Wood Intermediate

Preparing all students to be successful.

### Last Week of School, Wood Vikings!

Dear Viking Community,  
We are so proud of all of your hard work and flexibility this year We hope that all of you and your families are safe and healthy. We'd like to give our deepest sympathies and condolences to those families who have lost members to this pandemic. Our hearts go out to each of you.

We will be sharing our 8<sup>th</sup> Grade Awards Assembly presentation with the Wood Community on June 5<sup>th</sup>. **June 5<sup>th</sup> is the last day of school.** Our Online course work that has been posted throughout April and May will remain accessible throughout the summer. ([LINK HERE](#))

Teachers will be on Summer Break after June 5<sup>th</sup> and will not have Office Hours and will not providing feedback to students until we are back in August.

Because we do not know what the fall will bring in terms of school (online again, in the building, or some variation of the two), you may hang onto the Chromebooks, bags, and chargers over the summer. You may continue to do the work online throughout the summer. Please treat the chromebook, bag and charger with care as they are ON LOAN from Dav Schools and you are financially responsible for them. **If you are moving out of the Davenport Schools area or you do not want the responsibility of hanging onto these items, you may turn them in THIS WEEK, Monday through Thursday.** We will have a person in the office from **8:00 until noon.** You may call Wood (563-445-5300) from the parking lot in front with your request for your student's items. OR you may have an item to drop off, such as text books, library books, music uniforms.

You may always contact me through email. ([simpsonschultzs@davenportschools.org](mailto:simpsonschultzs@davenportschools.org))

Please keep encouraging your student to log into their NEW Google Classrooms to work on new opportunities and activities to keep their brains active ([LINK HERE](#) for directions). They can still get on their original Google Classrooms and contact their teachers to make sure they are caught up on past due work.

If your student is having trouble getting to their new Google Classroom, check out this video from Mrs. Carlson. She walks you through how to get on!

## Students' Personal Items

**69%** of our families picked up their students items on Monday and Tuesday of last week. We have **234 students with items remaining here at Wood**. EVERY STUDENT had a bag.

**Beginning on June 1-4, Monday through Thursday, we will have a person in the office from 8:00 until noon.** You may call Wood (563-445-5300) from the parking lot in front with your request for your student's items. OR you may have an item to drop off, such as text books, library books, music uniforms.

**YEARBOOKS:** Unfortunately, they still have not arrived yet at Wood. When they arrive we will communicate a plan to you for pick up.

Our building may be closed, but we want our connections with you to stay strong! Please reach out to teachers or counselors if you have any questions or concerns. (Link to staff directory [HERE](#))

Be safe and be well!
